- Represent RTIH in investment forums, startup events, and industry engagements.
- Build strategic partnerships for co-investment opportunities and innovation financing initiatives.
- Support fundraising and capital mobilization for RTIH-led programs and funds.

Financial & Strategic Analysis

- Conduct market research, financial analysis, valuation assessments, and risk evaluation of start-ups and investment opportunities.
- Prepare investment notes, investment committee presentations, and strategic reports.
- Ensure compliance with applicable financial, legal, and regulatory frameworks.

Leadership & Governance

- Lead and mentor the investments team and related ecosystem programs.
- Contribute to organizational strategy and innovation ecosystem development initiatives.

- Coordinate with internal departments, incubators, accelerators, legal advisors, and external stakeholders.

Qualification & Experience

- Master's degree in Finance, MBA, CA, CFA, Economics, or related field from a reputed institution.
- Minimum 12-15 years of experience in venture capital, private equity, startup investments, investment banking, innovation ecosystems, or strategic finance.
- Strong understanding of startup ecosystems, venture financing, and investment evaluation frameworks.
- Proven experience in deal sourcing, due diligence, financial modeling, and stakeholder management.
- Experience working with incubators, accelerators, innovation hubs, or startup ecosystems will be preferred.
