

RTIH Signs 5 Strategic MoUs at CII Partnership Summit 2025

RTIH strengthened Andhra Pradesh's innovation ecosystem by signing five strategic MoUs at the CII Partnership Summit 2025. These collaborations aim to accelerate entrepreneurship, global market access, and sector-specific innovation.

Shaping AP's Innovation Future:
Plenary Session Moderated by RTIH
CEO Smt. P. Dhatri Reddy

Avishkarana Andhra Creates a Guinness World Record!

Avishkarana Andhra has achieved a historic milestone by officially entering the Guinness World Records, marking a moment of pride for the entire state. This extraordinary feat showcases Andhra Pradesh's growing innovation culture, youth participation, and the collective spirit driving the region toward global recognition.

A New Era Begins: Hon'ble CM Chandrababu Naidu Inaugurates Ratan Tata Innovation Hub

- Marks a transformative milestone in Andhra Pradesh's innovation and startup ecosystem.
- Aims to empower young innovators and foster entrepreneurship.
- Launch signals the beginning of a bold new chapter for startups and innovation in Andhra Pradesh.

Future Founders Program:
Empowers the Next
Generation of Innovators

Startup Enthusiasts**

A New Era Begins in Andhra Pradesh

The establishment of the RTIH marks a significant step in shaping Andhra Pradesh as a center for innovation and technological progress. By nurturing talent, supporting startups, and fostering collaboration, RTIH is set to create new opportunities, drive economic growth, and position the state as a leader in the next wave of development.

The Ratan Tata Innovation Hub (RTIH) at Amaravati was inaugurated on August 20, 2025, by the Hon'ble Chief Minister of Andhra Pradesh, Shri N. Chandrababu Naidu, in the esteemed presence of Tata Group Chairman, Shri N. Chandrasekaran. Serving as the central node of a dynamic hub - spoke model, the Amaravati Hub is envisioned to foster innovation, entrepreneurship and economic transformation across the state. As part of this visionary initiative, five regional innovation centers (spokes) were also virtually launched on the same day in Visakhapatnam, Rajahmundry, Vijayawada, Anantapur, and Tirupati.

Named in honour of the late Ratan Tata, former Chairman of the Tata Group, RTIH embodies a commitment to nurturing startups, providing mentorship and IPR support, and accelerating skill development. The project plays a pivotal role in advancing Andhra Pradesh's mission of "One Family, One Entrepreneur," with an ambitious goal of fostering 20,000 startups and creating over 100,000 jobs by 2029 empowering every family to become a driver of innovation and growth.

Key Insights from Hon'ble Minister Shri Nara Lokesh

- RTIH hailed as a "beacon of hope" honoring Ratan Tata's values.
- Every home should nurture an entrepreneur.
- Youth urged to start innovating early.
- Innovation needed across all sectors — from villages to global markets.
- Government support assured with mentorship from industry leaders.

In a landmark moment for Andhra Pradesh, Hon'ble Chief Minister Chandrababu Naidu delivered an inspiring address during the inauguration of the RTIH, emphasizing the state's commitment to becoming a national powerhouse of innovation and technological advancement.

The Chief Minister described the establishment of RTIH as a major milestone in the state's journey toward progressive, innovation-driven development. He affirmed that the hub reflects the government's clear vision to foster forward-thinking ideas, advanced research, and industry-oriented growth.

Highlighting the potential of the hub, the CM stated that RTIH will play a pivotal role in nurturing young talent, supporting startups, and empowering innovators to turn their ideas into meaningful solutions. By bringing together world-class resources, mentorship, and collaborative opportunities, the hub is set to accelerate entrepreneurship, research, and skill development across the state. He further emphasized that the initiative will open new avenues for high-value employment, attract significant investments, and strengthen Andhra Pradesh's competitive edge on the national and global stage.

Concluding his address, the Chief Minister declared that Andhra Pradesh is entering a new era of innovation-led growth, with RTIH serving as a crucial foundation for the next wave of technological and economic transformation.

Ananthapuramu Spoke

The event witnessed the gracious presence of MLA Smt. Paritala Sunitha, District Collector Dr. V. Vinod Kumar IAS, Shri Shiv Narayan Sharma IAS, Joint Collector, Asst. Collector Sachin Rahar IAS, Prof. Krishnaiah, Registrar, JNTUA and corporate, knowledge partners dignitaries.

Tirupati Spoke

The event was graced by Shri Bojjala Venkata Sudheer Reddy, MLA, Shri S. Venkateswar, IAS, Collector, Shri Shubham Bansal, IAS, Joint Collector, Shri Sandeep Raghuwanshi, IAS, Assistant Collector, Shri Bhanu Prakash Reddy, RDO, along with other dignitaries, fostering insights, collaboration, and knowledge exchange.

Vizag Spoke

The inauguration witnessed the participation of government officials, industry partners, academia, startups and innovators. The plaque was unveiled by District Collector Dr. M.N. Harendhira Prasad, IAS, Hon'ble Mayor Sri Peela Srinivasa Rao, Joint Collector Sri K. Mayur Ashok, IAS and VMRDA Commissioner Sri K.S. Vishwanathan, IAS.

Vijayawada Spoke

The event was graced by Dr. G. Lakshmisha, IAS, District Collector, NTR District, the Hon'ble Chairman of the 20-Points Program, Joint Collector, NTR District and other dignitaries.

Rajamahendravaram Spoke

The event was graced by Hon'ble Ministers Shri Rama Naidu & Shri Durgesh, Smt. P. Prasanthi, IAS, District Collector, East Godavari, Smt. Y. Megha Swaroop, IAS, Joint Collector, East Godavari and other senior officials.

Avishkarana Andhra Creates a Guinness World Record!

Avishkarana Andhra: Igniting Andhra Innovations is a flagship initiative of the Government of Andhra Pradesh, spearheaded by the Andhra Pradesh Innovation Society (APIS) to promote innovation and entrepreneurship across the state.

Under the visionary leadership of Hon'ble Chief Minister Shri N. Chandrababu Naidu Garu, Avishkarana Andhra has achieved a Guinness World Record with an astounding 1,67,321 registrations in just 24 hours!

This extraordinary achievement stands as the largest online registration drive for entrepreneurship and startup programmes globally, symbolizing Andhra Pradesh's unstoppable drive toward innovation, creativity and entrepreneurial excellence.

Guinness World Record representatives presented a certificate Hon'ble Chief Minister Shri N. Chandrababu Naidu Garu

Highlights of the Avishkarana Andhra Program

- **Statewide Participation:** Students, educators, and entrepreneurs from all districts took the Innovation Pledge to promote creativity and self-reliance.
- **Strong Collaboration:** Backed by industry, academia, and government through the RTIH ecosystem, fostering startups, research, and skill development.
- **Youth Empowerment:** Inspires young minds to innovate with structured mentorship, guidance, and access to resources.
- **Path to a "Swarna Andhra":** A sustained movement to make Andhra Pradesh a global hub for startups and innovation.

FUTURE FOUNDERS PROGRAM – COHORT 1 LAUNCH ACROSS RTIH HUB & SPOKES

The RTIH set a powerful precedent on 17 October 2025 by launching the first cohort of the Future Founders Program a structured pre-incubation journey designed to transform early-stage ideas into validated prototypes and scalable ventures.

Simultaneously conducted at the RTIH Amaravati Hub and all five spokes, the program marks a significant step toward building a unified innovation ecosystem aligned with the mission: “One Family, One Entrepreneur.”

A Vision for a Vibrant Innovation Ecosystem

Setting an inspiring tone for the cohort, Smt. Dhatri Reddy, IAS, CEO of RTIH, addressed the participants with a powerful message on the importance of innovation-driven growth. She reiterated RTIH’s commitment to supporting every aspiring founder throughout their entrepreneurial journey, emphasizing the need to build an ecosystem where creativity, resilience, and impact go hand in hand.

The launch featured engaging sessions from distinguished speakers who shared actionable guidance and entrepreneurial wisdom:

- Kiran Babu Rava, Founder & CEO, rava.ai, delivered an insightful session on “Turning Ideas into Scalable Start-ups,” walking founders through the mindset and strategies required to convert concepts into high-potential ventures.
- Krishnan G, CEO, RTIH Vijayawada, highlighted how the Future Founders Program serves as a strong foundation for innovators to develop solutions capable of driving lasting, real-world impact.

Over 40 startups across diverse sectors showcased their ideas and received expert feedback to refine innovations. The six-week Future Founders Program now guides participants through workshops, mentorship, and prototyping to build impactful ventures.

Spoke-Level program Highlights

The RTIH Visakhapatnam Spoke hosted its launch at The Deck by VMRDA, led by Shri K. Mayur Ashok, IAS, Joint Collector, Visakhapatnam, who presided as Chief Guest. Shri Dhathri Reddy, IAS, CEO, RTIH & APIS, delivered a virtual address emphasizing statewide coherence in innovation efforts. Shri Ravi Eswarapu, CEO, RTIH Visakhapatnam, welcomed the cohort and introduced the program direction, while contributions from Shri Srinivas Savaram, Executive Director – TiE Vizag, Dr. Deepak Madala, Director – Alcove Partners, and Shri Kiran Korivi, Director – U&U Connoisseurs, created a rich foundation of knowledge for the participants.

The RTIH Ananthapuramu Spoke witnessed a vibrant Future Founders 1.0 launch under the leadership of Shri Nandan Tandi, Partnership Head, RTIH. The event was graced by Sri Shiv Narayan Sharma, IAS, Joint Collector & Director, RTIH, as the Chief Guest, along with key academic dignitaries, including Shri P. Chenna Reddy, Principal, JNTUA, Prof. S. B. Kivade, Controller of Examinations, Central University, and Shri P. V. Prathap Reddy, DSDO. With ninety-three attendees, including thirty-four spot registrations, the event demonstrated the region's rising entrepreneurial interest and strong institutional engagement.

The RTIH Tirupati Spoke commenced its program at Padmavathi Mahila University with the statewide virtual launch delivered by P. Dhatri Reddy, IAS, CEO – RTIH, who outlined her vision for strengthening innovation pipelines across Andhra Pradesh. The spoke-level special address was delivered by Mr. Vijay Mathur, CEO – RTIH Tirupati, who introduced the hub's implementation roadmap and expectations for the cohort. Distinguished keynote speakers, including Dr. N. Rama Jyothi, Founder & CEO of Kethanatecbees and Bio Pack Innovations, and Dr. K. Swetha Kumari, Founder of Sybiomics, set the entrepreneurial tone for the participants.

LEADERS LENS: A Leadership-Driven Gateway for Emerging Innovators

The Leaders Lens series at the RTIH has emerged as one of the most impactful engagement platforms for identifying promising innovators, early-stage founders, and MSME-driven ideas across Andhra Pradesh. Designed as an interactive leadership interface, the series enables RTIH's top leadership and domain experts to directly observe emerging ideas, evaluate their alignment with RTIH's innovation ecosystem, and deliver targeted mentorship that strengthens the participants' entrepreneurial journey.

Through structured feedback, personalised guidance, and direct dialogue with RTIH leaders, the sessions ensure that founders develop not only clarity and direction but also the confidence to navigate RTIH's programs and incubation pathways effectively. This sustained mentorship approach enhances engagement, scalability, and long-term regional innovation outcomes.

The Leaders Lens series unfolded across five high-engagement sessions hosted at the RTIH Amaravati Hub, attracting student innovators, early-stage startup founders, and MSMEs seeking strategic direction, incubation support, and leadership-driven guidance.

Session 1 – Launching the Lens (10 October 2025)

Led by Smt. Dhatri Reddy, CEO, RTIH, the inaugural session brought together 20 innovators who received actionable insights on idea development, funding pathways, and startup readiness. Participants appreciated the direct interaction with leadership, stressing the session's value in refining their innovation direction.

Session 2 – Leadership Insights with G. Krishnan (17 October 2025)

G. Krishnan, CEO, RTIH Vijayawada, guided 20 participants through idea clarity, execution strategies, and early-stage planning. His practical mentorship resonated strongly with founders, who expressed the value of gaining direct access to leadership perspectives.

Session 3 – Strengthening Founders' Decision-Making (24 October 2025)

With 15 participants, this session focused on identifying problem-solution fit, value creation, and leadership thinking. Mr. Krishnan emphasized the importance of disciplined idea development and the role of strategic choices in shaping a startup's direction.

Session 4 – Leadership for Early-Stage Success (31 October 2025)

Another group of 15 innovators participated in a deep-dive session with G. Krishnan, gaining clarity on team building, early validation, and overcoming founder challenges. Participants highlighted the practical relevance of the mentorship offered.

Session 5 – Visionary Dialogue with the CEO (7 November 2025)

This session served as yet another impactful edition, continuing its objective of connecting emerging innovators with senior RTIH leadership. During the interaction, Smt. Dhatri Reddy, IAS offered strategic guidance on ethical leadership, societal relevance, and structured pathways toward prototype development. Her insights enabled participants to strengthen the real-world applicability of their ideas and better prepare for forthcoming incubation and support opportunities within the RTIH ecosystem.

High-Impact Conversations at the CII Partnership Summit 2025, Visakhapatnam

The CII Partnership Summit 2025 witnessed a compelling and forward-looking plenary session that brought together national leaders, policymakers, innovators, and industry pioneers to chart the next phase of Andhra Pradesh's entrepreneurial growth. The session highlighted the State's commitment to innovation-driven development underpinned by the One Family One Entrepreneur mission.

Visionary Leadership at the Helm

The session was chaired by Shri Nara Lokesh, Hon'ble Minister for ITE&C, RTG & HRD, Government of Andhra Pradesh, who emphasized the State's transformative push toward a technology-first economy. Serving as Co-Chairperson was Shri Kondapalli Srinivas, Hon'ble Minister for MSME, SERP, NRI Relations & Empowerment, who highlighted the critical role of MSMEs and global collaboration in fostering inclusive growth.

The session was expertly moderated by Ms. P. Dhatri Reddy, IAS, CEO of the Ratan Tata Innovation Hub (RTIH) and APIS, who steered conversations on innovation ecosystems, entrepreneurship, and emerging market opportunities.

Power-Packed Panel of Industry Leaders

The plenary featured eminent speakers, including:

Mr. Ravi Arora – Sr. Vice President, Group Innovation, TATA Group

Mr. Rajesh Yabaji – CEO & Co-Founder, BlackBuck

Mr. Sateesh Andra – Co-Founder & Managing Partner, Endiya Partners

Prof. Ramesh Loganathan – Professor (Innovation & Outreach), IIT Hyderabad

Mr. Madan Padaki – Co-Founder, GAME

Each panelist brought unique perspectives on building sustainable innovation pipelines, scaling startups globally, and accelerating industry-academia collaboration.

RTIH Signs 5 Strategic MoUs at CII Partnership Summit 2025

During the Summit, RTIH proudly exchanged four significant MoUs, marking a major step toward accelerating global innovation, entrepreneurship, and technology-driven development.

RTIH × AIG/AIM: Launch of Aayunova Health-Tech Incubator

RTIH has signed an MoU with AIG/AIM to launch Aayunova, a dedicated health-tech incubator aimed at nurturing transformative healthcare solutions and advancing Andhra Pradesh's leadership in health-tech innovation.

RTIH × Startup ME: UAE Startup Exchange Program

RTIH has signed an MoU with Startup ME to launch a Startup Exchange Program, enabling RTIH startups to access UAE markets, investors, and innovation networks while strengthening cross-border innovation.

RTIH × Startup Runway: US Market Access Program

RTIH has signed an MoU with Startup Runway to establish a US Market Access Exchange Program, providing startups with mentorship, soft-landing support, investor access, and direct entry pathways into American markets.

RTIH × APVAGA: Pioneering the AVGC-XR Revolution

RTIH has signed an MoU with APVAGA to establish the state's first AVGC-XR Centre of Excellence in Amaravati, marking a landmark partnership to drive innovation in animation, VFX, gaming, and XR technologies.

RTIH Rajamahendravaram Signs MoU with NIT Andhra Pradesh to Boost Tech Innovation

In a significant move to strengthen technological innovation and deepen academic-industry collaboration, the Ratan Tata Innovation Hub Rajamahendravaram Spoke has entered into a Memorandum of Understanding (MoU) with the National Institute of Technology Andhra Pradesh.

The MoU was formalized under the stewardship of the Hon'ble Joint Collector & Director, RTIH, Sri Y. Megha Swaroop, IAS. This partnership is aimed at advancing technical innovation, nurturing young talent, and expanding knowledge mentorship opportunities across the region.

From NIT Andhra Pradesh, Prof. N. V. Ramana Rao, Director, and Dr. Dinesh P. Sankar Reddy, Registrar, represented the institution during the signing ceremony. Both officials expressed strong support for the collaboration, noting that the partnership will open new avenues for research, innovation, and real-world problem-solving.

Sri Y. Megha Swaroop emphasized that linking government-led innovation initiatives with the academic strength of a premier institution like NIT Andhra Pradesh will create a dynamic platform for students, researchers, and innovators. He highlighted that the MoU will enhance access to technical expertise, promote joint research activities, and accelerate the development of impactful technological solutions.

Future Founders Program Energizes Young Innovators at RTIH Rajamahendravaram

RTIH Rajamahendravaram hosted the Future Founders Program at the Rajahmundry Institute of Technology and Humanities, engaging 50 students, early-stage entrepreneurs, and faculty mentors. The program introduced essentials of entrepreneurship—idea validation, business models, finance, pitching, and teamwork—supported by guidance from faculty, alumni entrepreneurs, and industry mentors.

Student teams formed ideas in education, agri-tech, and campus services, while 8–10 early concepts received valuable mentor feedback. Participants appreciated the hands-on workshops and pitch coaching, marking the event as a strong step toward building a vibrant campus startup ecosystem.

RTIH and Maris Stella College Sign MoU to Strengthen Grassroots Innovation

Ratan Tata Innovation Hub Vijayawada and Maris Stella College have signed an MoU to jointly promote innovation and entrepreneurship on campus. The partnership will set up incubation support at the college, encourage students and faculty to pursue startup ideas, and provide access to RTIH's mentorship, workshops, and startup resources. The collaboration aims to help young innovators turn ideas into successful ventures.

RTIH Vijayawada has signed an MoU with PSCMR College of Engineering & Technology to strengthen innovation and entrepreneurship among students.

The collaboration will support student-focused initiatives including innovation awareness programs, startup ideation and pre-incubation support, hackathons, workshops, and mentorship for prototype development. Industry connections and expert guidance will further help students transform ideas into practical solutions and scalable startups.

RTIH Vijayawada has partnered with Seshadri Rao Gudlavalleru Engineering College and KBN College to promote innovation and entrepreneurship on campus. The MoUs aim to support student startups, provide mentorship and incubation access, and organize hackathons and workshops, helping students turn ideas into viable businesses and fostering an innovation-driven ecosystem in Andhra Pradesh.

AP Startup & Innovation Summit 2025 Brings Together 237+ Innovators at RTIH Amaravati

The Andhra Pradesh Startup & Innovation Summit 2025 was held at the Ratan Tata Innovation Hub, Amaravati, bringing together 237+ startup founders, innovators, investors, academic leaders, and policymakers. Organized by RTIH and powered by SIDBI and Endiya Partners, the summit highlighted Andhra Pradesh's rise as a national innovation hub.

RTIH CEO Ms. Dhatri Reddy, IAS, emphasized that “the right examples, the right enablers, and the dreamers” are key to driving innovation, positioning RTIH as a catalyst for ideas, capital access, and statewide founder opportunities.

Mr. Lakshminarayana Ponangi (SIDBI) shared the organization's commitment to MSMEs and startups through structured funding, early-stage support, and district-level innovation clusters. From Endiya Partners, Mr. Sateesh Andra, Dr. Ramesh Byrapaneni, and Mr. Anvesh Ramineni provided insights on deep-tech trends and Andhra Pradesh's potential as a hub for scalable, product-led ventures.

The Founder Stories session featured AP-born leaders—Pavan Kosaraju (AquaExchange), Ritish Reddy (Zluri), and Maruthi Amardeep Sri Vatsavaya (BluJ Aerospace)—sharing lessons on product validation, team culture, execution, and resilience.

The AP Startup Showcase highlighted emerging talent with pitches from Magicteams AI, CtoSKYAI Private Limited, and Anjio MedTech LLP, followed by expert feedback. The event concluded with an informative session by MeitY Startup Hub on grants and schemes for entrepreneurs.

SPARKing Ideas: RTIH Bootcamp Lights the Path for Emerging Innovators Across Andhra Pradesh

The RTIH launched its flagship SPARK: Idea Exploration Bootcamp, a three-day intensive program aimed at guiding early-stage innovators and aspiring founders in transforming raw ideas into viable concepts. The program is being conducted simultaneously across all RTIH spokes, ensuring widespread access to mentorship and structured guidance for emerging entrepreneurs.

Inauguration & Leadership Message

The program was inaugurated by Shri Kondapalli Srinivas, Hon'ble Minister for MSME, Andhra Pradesh, who delivered an inspiring message on the State's commitment to nurturing and supporting startups, MSMEs, and innovative talent across Andhra Pradesh. Smt. Dhatri Reddy, IAS, CEO of RTIH, addressed the participants, emphasizing the importance of structured idea development, early-stage mentorship, and open innovation. She highlighted SPARK as a platform for converting conceptual ideas into meaningful, scalable opportunities.

RTIH Visakhapatnam – Innovation & Impact Highlights

RTIH Visakhapatnam has rapidly evolved into a strong centre for innovation and entrepreneurship in Andhra Pradesh, hosting 25+ programs including founder meetups, hackathons, ideathons, summits, technology workshops, incubation initiatives and sector-focused events. The hub actively brought together students, founders, MSMEs, researchers, investors and policymakers onto a collaborative platform to strengthen the startup landscape.

Key engagements included the Inaugural Ceremony, Vizag Founders Meetups, Fireside Chats, Women Entrepreneur Connect, Future Founders Program, HackAP Tribal Tech Hackathon, World Space Week Ideathon, Aviation 4.0 Seminar, MSME Tech Innovation Workshop, Export-Import Summit, AI Fusion Summit representation, and participation in Google DevFest Vizag. Community activities like the Weekly Organic Santha further expanded local impact and public engagement.

Through these initiatives, RTIH supported young innovators, enabled product development, encouraged research-linked entrepreneurship and promoted MSME growth through technology adoption and market access. With 17 startups nurtured under the Future Founders initiative and participation crossing thousands across events, Visakhapatnam's innovation ecosystem is witnessing accelerated momentum.

RTIH continues to drive entrepreneurial energy in the state fostering collaboration, enabling R&D-based entrepreneurship and building pathways for global-ready ventures emerging from Andhra Pradesh.

RTIH Anantapuramu – Key Innovation Activities & Outreach Highlights

The spoke has actively reached 23 educational institutions, received 20,000 online registrations for entrepreneurship awareness and saw participation from 78 academic institutes during Avishkarana Andhra, reflecting strong regional interest. The hub also welcomed 49 startup visitors, creating a growing founder network.

The RTIH team visited key institutions including DIC, DRDA Velugu, District Science Centre, RUDSET Institute, and APIIC Office to discuss MSME support, SHG participation, science outreach, skill development, and industrial growth opportunities. Acting on the District Collector's guidance, the team also visited colleges to establish Innovation Cells to promote student-led startup culture and encouraged institutions to sign MoUs with RTIH for collaboration, mentorship, and resource sharing. These efforts aim to strengthen the innovation ecosystem and support the mission of "One Family – One Entrepreneur."

Alongside ecosystem engagements, RTIH achieved strong participation milestones through earlier programs. Future Founders 1.0 received 59 applications, shortlisted 14, and incubated 9 startups. The centre also organized the SPARK 3-Day Idea Exploration Program, training 93 participants through entrepreneurship sessions delivered by dignitaries, innovators, and experts.

RTIH Tirupati – Key Events & Ecosystem Highlights

RTIH Tirupati continued to strengthen the regional innovation and startup ecosystem through multiple programs engaging founders, MSMEs, academic institutions and research hubs.

An Ecosystem Strengthening Visit was conducted to IIT Tirupati Navishkar I-Hub Foundation, SSIIIE-TBI SPMVV, and SVU RUSA Incubation Centre, focusing on co-incubation partnerships, lab access, joint programming, and knowledge exchange. The visit enabled collaboration on MedTech CoE planning, drone/space-tech workshops, startup validation pathways and shared infrastructure access.

The Founders Confluence Session brought innovators together for leadership interaction and policy awareness. Early-stage founders discussed problem statements, funding challenges, market access and AP Startup Policy scope, while the hub initiated a structured bi-weekly founder engagement cycle for ongoing mentoring support.

To accelerate enterprise transformation, RTIH hosted the RISEUP MSME Startup Summit, witnessing 96 MSME registrations and discussions on innovation adoption, branding, digital tools and DPIIT recognition. Speakers from DRDA, SIDBI, banking and industry bodies shared insights on growth and financial readiness, strengthening MSME-to-startup transition pathways.

RTIH further expanded campus outreach through the SVCE Mini Outreach Program, engaging 140+ students on innovation, ideation and entrepreneurship fundamentals. The session introduced startup journey stages, industry innovation examples and Hub & Spoke support programs such as Future Founders, Spark, Catalyst, Velocity Lab.

Rise Up MSME Summit' Unites Industry Leaders and Entrepreneurs to Accelerate MSME Scale-Up

On 7th November 2025, RTIH Visakhapatnam, in collaboration with Atlas Concilio, successfully hosted the 'Rise Up MSME Summit' at the RTIH Visakhapatnam. The full-day event aimed to support MSME founders in transitioning from small-scale operations to scalable, structured businesses by providing access to advisory support, compliance readiness, funding mechanisms, and capital market opportunities.

The summit brought together a distinguished panel of guest dignitaries and industry experts, including R. Senthil Kumar, Joint Director of MSME Development Facilitation Office, and Rajendra Kumar Raigar, General Manager, Priority Sector, Punjab & Sind Bank.

Key speakers who led the discussions included Ravi Eswarapu, CEO of RTIH Visakhapatnam, Radha Kirthivasan from SME Listing, BSE, Srinivas Vayetla, Chartered Accountant, Shobhan Prakash from AP Chambers, Krishna Balaji of Laghu Udyog Bharati, Srikanth Ghanta & Pankaj Khaitan of Atlas Concilio, and Dr. G. Sambasivarao from AP Air Cargo Forum.

The agenda focused on practical strategies for MSMEs to formalize operations, strengthen governance, improve access to credit, and prepare for investment and expansion beyond local markets. The sessions were highly interactive and offered valuable insights on compliance clarity, investor readiness, and the growing opportunities for MSMEs to list on public markets early in their growth trajectory.

On 12th November 2025, RTIH Tirupati Spoke hosted the RiseUp MSME Summit at SVU Senate Hall, Tirupati, under the theme "Empowering MSMEs through Innovation, Technology, and Startup Ecosystem Support." Inaugurated by Sri Vijaywanth Mathur, CEO, RTIH Tirupati, the summit brought together over 96 MSMEs from diverse sectors. The sessions focused on innovation adoption, technology integration, policy awareness, and startup transition pathways, along with expert guidance on branding, financial readiness, and ecosystem collaboration.

The event successfully strengthened local entrepreneurship, created a verified MSME database for continued engagement, and laid the foundation for MSMEs to evolve into innovation-driven startups, reinforcing RTIH's commitment to nurturing the entrepreneurial ecosystem in Andhra Pradesh.

RTIH Convenes High-Level Stakeholders Meeting with Industry Leaders

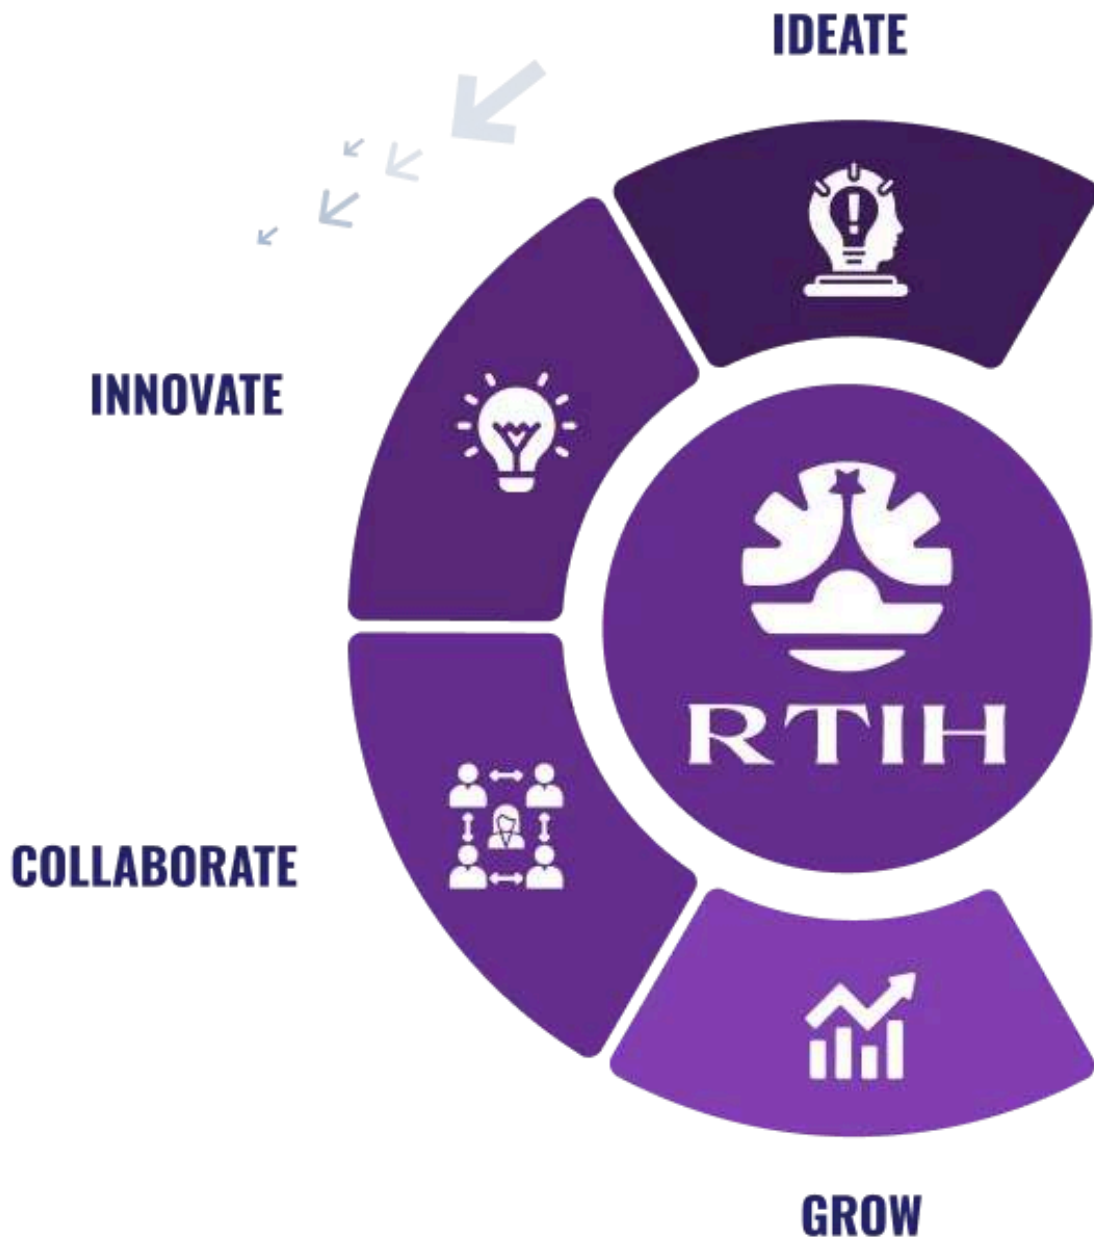

RTIH convened a high-level Stakeholders Meeting bringing together leading industry partners to strengthen collaboration, innovation exchange, and ecosystem development. The meeting was chaired by Smt. Dhatri Reddy, IAS, CEO, RTIH, who outlined RTIH's strategic roadmap and emphasized the pivotal role of industry partnerships in accelerating Andhra Pradesh's innovation-driven growth.

A Room Filled with Industry Catalysts

The stakeholder table resembled a powerhouse of national industry, with each representative bringing domain expertise, strategic insight, and a commitment to co-creating impact with RTIH.

Representatives from leading industry partners participated in the RTIH Stakeholders Meeting, including Ravi Arora from TATA; Anup Sahay, Ankur Khabra, and Sushma Kaushik from L&T; Rama Iyer and Teja from GMR; Kishore Desai and Vikas from MEIL; Vege Ramesh from Mohan Spintex; Aravalli Madhu Babu from NSL; Ajay Nayak from Adani; S. Subba Rao from Navayuga; Subhash Jha from Amara Raja; R. Kanaka Rao from JSW; Navin Sharma from Raymond; T. Somasekhar and Srikanth from KIA; Yogesh Inamdar from Bharat Forge; P. Rambabu and Sangeetha from Greenko; KVK Raju representing ONGC; and Meenakshi, Prabhakar, and Bimal Deran from GAIL.
