1. Background & Institutional Context

(a) The **Ratan Tata Innovation Hub (RTIH)** is a not-for-profit institution established by the Government of Andhra Pradesh under the Andhra Pradesh Innovation & Startup Policy (4.0) 2024–2029. RTIH functions as the State’s principal platform for driving innovation, incubation, and entrepreneurship, operating through a Hub-and-Spoke model with the Central Hub at Amaravati and regional Spokes across the State.

(b) RTIH’s mandate is to **build durable entrepreneurial capacity**, enable scalable startups, and strengthen Andhra Pradesh’s position as a leading startup and innovation ecosystem. In furtherance of this mandate, RTIH is rolling out its flagship incubation construct titled “**Catalyst**”.

2. About Catalyst – RTIH’s Incubation Program

(a) Catalyst is RTIH’s **incubation-stage flagship program** designed for **revenue-ready startups** that have demonstrated early market validation and are preparing for **structured growth, market expansion, and early-stage capital**.

(b) Catalyst is **not a pre-incubation or ideation program**. It is intended for startups that require:

- (i) deeper business and market clarity,
- (ii) founder and leadership strengthening,
- (iii) structured preparation for early-stage capital (with a primary focus on angel investment), and
- (iv) access to relevant mentors, operators, and investors.

(c) The Catalyst Pilot shall be implemented through **two cohorts of forty (40) startups each**, delivered through a **hybrid model** combining structured virtual programming with an intensive in-person bootcamp in Andhra Pradesh.

3. Objective of the RFP

- (a) RTIH invites proposals from qualified ecosystem partners to act as a **Program Execution Partner** for the Catalyst Pilot.
- (b) RTIH has already defined the program intent, stage focus, and institutional objectives for Catalyst. The selected partner will be responsible for **execution excellence**, disciplined program delivery, and ecosystem facilitation **within RTIH's defined framework**.
- (c) This engagement is structured as a **pilot**, and the outcomes and learnings from this phase will inform any subsequent expansion or replication.

4. Program Structure & Timeline

4.1 Cohort Design

- (a) Cohort size: 40 startups per cohort
- (b) Number of cohorts: Two (2)
- (c) Delivery model: Hybrid (Virtual + Physical)

4.2 Timeline

- (a) **Cohort 1:** H1 2026 [Tentatively Jan to Oct 2026]
- (b) **Cohort 2:** H2 2026 [Tentatively Oct 2026 to Mar 2027]
- (c) Each cohort shall run for approximately **four (4) months**, inclusive of virtual programming and at least three physical engagements (kickoff, mid-program and wrap-up/ demo). All physical engagements shall be in RTIH Amaravati.
- (d) The following table outlines the indicative schedule for this RFP process. RTIH reserves the right to modify these dates at its discretion, with due notice to participating Bidders:

Milestone	Date
Release of RFP	24 Dec 2025

Milestone	Date
Last date to submit queries	27 Dec 2025
Response to queries / issuance of corrigendum	28 Dec 2025
Last date for submission of proposals	05 Jan 2026
Opening of technical proposals	06 Jan 2026
Evaluation of technical proposals	06-08 Jan 2026
Opening of financial proposals	09 Jan 2026
Announcement of selected Bidders	10 Jan 2026
Contract signing and commencement	16 Jan 2026

(Note: All communication and clarifications shall be routed through the designated contact point mentioned in this RFP. RTIH may extend the proposal submission deadline at its discretion and will share updates via email or publish them on its website, if applicable.)

5. Scope of Work – Program Components

- (a) The Program Execution Partner shall deliver Catalyst as a **structured incubation program** comprising the following integrated components.
- (b) **Sectoral Alignment.** Catalyst shall prioritise startups aligned with the Government of Andhra Pradesh's priority sectors, including but not limited to areas such as deep-tech, manufacturing, electronics, mobility, clean energy, agri & food processing, healthcare, life sciences, logistics, climate-tech, and other sectors identified under State policy and strategic initiatives.
- (c) The Program Execution Partner shall demonstrate an ability to attract, screen, and support startups aligned with these priority sectors.

5.1 Startup Scouting, Outreach & Selection

- (a) The Program Execution Partner shall be responsible for **designing and executing a structured startup scouting and outreach strategy** to source applications for the Catalyst Incubation Program.
- (b) Startup applications shall be **open to eligible startups from across India**, subject to defined eligibility criteria and alignment with the objectives of the Catalyst program.

(c) While applications may be invited nationally, **selection into the program shall be competitive and selective**, and shall prioritise startups that:

- (i) demonstrate revenue readiness and early market validation;
- (ii) align with the Government of Andhra Pradesh's priority sectors and strategic focus areas; and
- (iii) are able to derive demonstrable value from the incubation, capital readiness, and ecosystem support offered under Catalyst.

(d) The Program Execution Partner shall propose an indicative sourcing funnel, screening process, and acceptance rate as part of the Technical Proposal. Final selection of startups for each cohort shall be undertaken **in consultation with RTIH**, and RTIH shall retain final approval authority.

5.2 Workshops & Curriculum Delivery

Weekly Live Virtual Workshops covering a comprehensive incubation curriculum focused on venture, market, founder, and capital readiness.

Core Content Areas

- (a) Idea validation and product-market fit
- (b) Business model design and unit economics
- (c) Go-to-market strategy and customer acquisition
- (d) Operations, systems, and scaling readiness
- (e) Leadership, founder mindset, and team building

Format

- (f) Weekly live virtual sessions by sectoral experts
- (g) At least four masterclasses with leading experts
- (h) Structured asynchronous assignments and exercises
- (i) All sessions to be recorded and made available for asynchronous access

Mentor Mix

- (j) Andhra Pradesh–based ecosystem practitioners
- (k) National–level founders, operators, and functional experts

5.3 Capital Readiness Track – Angel Investment Focus

(a) A **dedicated Capital Readiness Track** shall be embedded within Catalyst, with a **structured focus on angel investment as the primary early-stage capital pathway** for participating startups.

(b) This track shall include **explicit angel investment workshops**, first in Amaravati and the second in Visakhapatnam, covering:

- (i) Overview of the angel investment landscape in India
- (ii) Role of angel investors *vis-à-vis* venture capital at the incubation stage
- (iii) Angel syndicates, networks, and lead investor dynamics
- (iv) Typical cheque sizes, valuation expectations, and dilution norms
- (v) Term sheets, governance expectations, and founder rights
- (vi) Preparing for angel diligence and post-investment engagement

(c) These sessions shall be delivered by:

- (i) Active angel investors
- (ii) Representatives of angel networks
- (iii) Founders who have successfully raised angel capital

(d) The objective of this track is to ensure founders are **capital-literate, realistic, and well-prepared** before engaging with investors.

(e) Attendance during this track is to be a minimum of 50 HNIs, NRIs (with investment potential), angels, and/ or VC ecosystem enablers. The event should culminate in a networking dinner allowing attending startups and investors to network with marquee investors, panelists and notable personalities of the investor ecosystem. The marketing campaign for the event is also within scope.

5.4 Mentorship Programme

- (a) **One-on-one mentoring** with experienced founders, operators, and investors
- (b) **Regular touchpoints** throughout the four-month cohort duration

Mentor Pool

- (c) Successful startup founders
- (d) Industry and domain experts
- (e) Angel investors and early-stage capital practitioners

Focus Areas

- (f) Business and market scaling
- (g) Capital readiness and fundraising strategy
- (h) Market traction and execution discipline
- (i) Strategic decision-making

5.5 Local Context & Andhra Pradesh Ecosystem Sessions

- (a) Dedicated sessions to ground founders in the **Andhra Pradesh startup ecosystem**, including:
 - (i) Overview of RTIH, APIS, and State-level innovation infrastructure
 - (ii) Walkthrough of Andhra Pradesh startup policies, incentives, and schemes
 - (iii) Regulatory, compliance, and operational considerations specific to AP
 - (iv) Introductions to Andhra Pradesh-based angel networks and investor groups
- (b) **Delivery Model:** Joint facilitation by the Program Execution Partner with structured inputs from RTIH.

5.6 Physical Bootcamp & Angel-First Demo Day

2-Day Physical Bootcamp (Andhra Pradesh)

- (a) The program shall culminate in a **two-day in-person bootcamp**, including:

[8]

- (i) Advanced deep-dive workshops
- (ii) Peer networking and collaboration
- (iii) One-on-one mentor sessions
- (iv) Mock pitching and investor interaction simulations

Demo Day & Investor Pitch Event

(b) The Demo Day shall function as a **capital-readiness checkpoint**, with a **primary focus on angel investors**, and participation from early-stage VCs where appropriate.

- (i) Participation by all 40 startups in the cohort
- (ii) Pitch format: 5–7 minutes per startup + Q&A
- (iii) Curated audience comprising:
 - (aa) Andhra Pradesh-based angel investors
 - (ab) National angel networks and syndicates
 - (ac) Select early-stage VCs and HNIs

Post-Event Activities

- (c) Structured investor follow-ups
- (d) Facilitated introductions
- (e) Private networking mixer / dinner for founders, mentors, speakers, and investors

5.7 Awareness Building & Ecosystem Signalling

- (a) Targeted, **data-backed storytelling and ecosystem communication** to:
 - (i) Highlight Andhra Pradesh's startup growth momentum
 - (ii) Strengthen visibility of RTIH and State-backed innovation initiatives
 - (iii) Showcase Catalyst outcomes and founder journeys

(b) This component shall support **ecosystem signalling and credibility building**, and shall **not** be treated as a standalone media or promotional campaign. All external communication shall align with RTIH's communication guidelines and approvals.

5.8 Program Documentation, Reporting & Knowledge Transfer

As part of the Catalyst Incubation Program, the Program Execution Partner shall be responsible for **systematic documentation, reporting, and knowledge capture**, with the objective of enabling RTIH to institutionalise learnings and replicate or scale the program in future cohorts. This shall include, at a minimum:

(a) **Program Execution Reports.** Periodic reports documenting program delivery, including cohort progress, participation levels, session summaries, mentor engagement, and key observations during execution.

(b) **Cohort Outcome & Learning Report.** A consolidated report at the end of each cohort capturing:

- (i) startup progression and maturity outcomes (qualitative and indicative);
- (ii) effectiveness of curriculum, mentoring, and capital readiness components;
- (iii) key challenges encountered and mitigation approaches;
- (iv) feedback from founders, mentors, and investors.

(c) **Catalyst Playbook for Future Cohorts.** A structured program playbook documenting:

- (i) cohort sourcing and selection process;
- (ii) curriculum structure and sequencing;
- (iii) mentor and investor engagement models;
- (iv) angel investment readiness approach;
- (v) operational workflows, templates, and best practices;

(vi) recommended improvements for subsequent cohorts.

(d) **Knowledge Transfer to RTIH Team.** At least one structured knowledge-transfer session with the RTIH team to walk through the playbook, insights, and recommendations, enabling RTIH to independently run or commission future editions of the program.

All documentation, reports, templates, and playbooks developed under this engagement shall be the **intellectual property of RTIH**.

6. Roles, Ownership & Governance

(a) **RTIH shall retain ownership** of:

- (i) the Catalyst program brand,
- (ii) all program IP, frameworks, and learnings,
- (iii) startup data and insights, and
- (iv) any derivative playbooks or methodologies.

(b) The Program Execution Partner shall:

- (i) operate strictly within RTIH's program framework,
- (ii) not independently brand or externally represent Catalyst without prior RTIH approval,
- (iii) act as an execution and facilitation partner, not as program owner.

(c) All external communication, if any, shall be subject to RTIH's approval.

7. Expected Outcomes

RTIH expects the following outcomes from the Catalyst Pilot:

- (a) Revenue-ready startups that are angel-investment prepared
- (b) Improved founder capability, venture maturity, and capital literacy
- (c) Credible engagement with angel investors and early-stage capital providers

- (d) Clear institutional learnings for RTIH on incubation and capital-readiness design
- (e) A validated incubation execution model suitable for future scale-up

8. Eligibility Criteria

To be eligible for consideration, the bidder must:

- (a) Be:
 - (i) a company registered under the Indian Companies Act, **OR**
 - (ii) a partnership firm under the Indian Partnership Act, 1932, **OR**
 - (iii) a Limited Liability Partnership under the LLP Act, 2008
- (b) Have **minimum five (5) years** of operational experience in delivering similar programs
- (c) Employ **at least fifty (50) full-time staff** across relevant functional areas
- (d) Have an **annual turnover of at least INR 75 lakhs** in each of the last **three financial years**
- (e) Not be blacklisted or debarred by any government, PSU, or public agency
- (f) Have successfully executed:
 - (i) **One** similar assignment of value $\geq$ INR 35 lakhs **OR**
 - (ii) **Two** similar assignments of value $\geq$ INR 25 lakhs each within the last six financial years, for Government / PSU / Industry associations.
- (g) Bidders may apply as a consortium, provided the lead bidder meets eligibility and assumes responsibility.

(h) The Bidder shall deploy dedicated and qualified personnel for each component of the program including a dedicated Program Manager to act as a single point of contact for the duration of the campaign.

9. Evaluation Framework

(a) The selection shall be based on the **Quality and Cost-Based Selection (QCBS)** methodology, with a total of **100 marks**, distributed as follows:

- (i) Technical Score: 70 Marks
- (ii) Financial Score: 30 Marks

9.1 Technical Evaluation (70 Marks)

S No	Criteria	Marks
(a)	Program architecture & execution approach	25
(b)	Incubation & capital readiness experience	20
(c)	Mentor & angel investor network depth	15
(d)	Team strength & delivery capability	10
	Total	70

9.2 Financial Evaluation (30 Marks)

- (a) Evaluation shall be conducted based on the financial quote submitted
- (b) The Financial Score (FS) shall be computed using the following formula:

$$FS = (L1 \text{ Price} / \text{Bidder's Price}) \times 30$$

9.3 Composite Score

Composite = Technical Score (out of 70) + Financial Score (out of 30)

10. Submission Requirements

- (a) **Documents to be Submitted.** Bidders must submit the following documents as part of their proposal, compiled into clearly labelled and signed PDFs:

(i) Detailed program approach note outlining cohort sourcing strategy, curriculum structure, capital readiness approach, mentor engagement model, and execution plan for both cohorts. The Bidder shall also propose an indicative sourcing and selection funnel, including the expected number of applications, screening stages, and proposed acceptance rate for each cohort.

(ii) Technical Proposal [including approach, methodology & indicative list of experts (with brief profiles) proposed to deliver key components of the program]

(iii) Financial Proposal (as per Annexure A)

(iv) CVs of proposed team members

(Note: File names should clearly identify the Bidder. Submissions must be complete, virus-free, and within permissible file size limits. Incomplete or corrupt files may lead to disqualification.)

(c) Point of Contact:

For any clarifications, please contact:

Email: proposals@rtih.co.in

II. General Provisions

(a) **Proposal Validity.** All submitted proposals shall remain valid and binding for a period of 90 days from the submission deadline. Any proposal with a shorter validity period shall be considered non-compliant.

(b) **Right to Accept or Reject Proposals.** RTIH reserves the right to accept or reject any proposal, to annul the bidding process, without assigning any reason and without incurring any liability to any bidder. Proposals that are incomplete, submitted after the deadline, or found to contain material deviations from the RFP requirements may be declared non-responsive and rejected without further evaluation.

(c) **Contract Period.** Contracts shall be executed only with the selected Bidder(s) post-evaluation, and such contracts shall detail all applicable terms, obligations, deliverables, and compliance requirements. Contract period shall be co-terminus with the Catalyst Pilot (two cohorts), with any extension subject to separate approval.

(d) **Performance Management, Remedies & Termination**

Performance Management

(i) The selected Program Execution Partner shall be responsible for delivering the Catalyst program strictly in accordance with the approved program architecture, timelines, and milestones agreed upon with RTIH.

(ii) RTIH shall monitor performance based on:

- (aa) adherence to agreed program timelines,
- (ab) delivery of defined program components,
- (ac) quality and consistency of founder engagement,
- (ad) mentor and investor participation as committed, and
- (ae) submission of periodic program progress reports.

Milestone-Based Review

(iii) The engagement shall be reviewed against **clearly defined milestones**, which may include (illustrative):

- (aa) cohort onboarding and completion,
- (ab) delivery of curriculum and mentoring components,
- (ac) conduct of physical bootcamp,
- (ad) execution of Demo Day,
- (ae) post-program reporting and knowledge capture.

(iv) Failure to achieve agreed milestones without valid justification may trigger remedial actions.

Remedies for Non-Performance

(v) In the event of material deviation from agreed milestones, scope, or delivery standards, RTIH may, at its discretion:

- (aa) Issue a written notice requiring corrective action within a specified timeframe;
- (ab) Withhold or defer milestone-linked payments until satisfactory rectification;
- (ac) Reduce payments proportionately for undelivered or inadequately delivered components;
- (ad) Terminate the engagement for persistent or material non-performance, after due notice.

No Assured Outcomes

(vi) The Program Execution Partner shall not be held accountable for:

- (aa) investment decisions by third-party investors,
- (ab) fundraising outcomes of participating startups,
- (ac) commercial success or failure of startups post-program,

(vii) provided that program delivery obligations have been met in good faith.

Termination for Cause

(viii) RTIH reserves the right to terminate the contract, in whole or in part, with immediate effect in case of:

- (aa) material breach of contractual obligations,
- (ab) misrepresentation or suppression of material facts,
- (ac) conflict of interest not disclosed or not resolved,
- (ad) conduct detrimental to the reputation or interests of RTIH.

Termination for Convenience

(ix) RTIH may terminate the engagement for convenience by providing a written notice, subject to payment for satisfactorily delivered milestones up to the date of termination.

(e) **Confidentiality.** Bidders shall treat all information shared under this RFP as confidential. No part of the RFP or subsequent clarifications may be disclosed to any third party without prior written permission from RTIH.

(f) **Conflict of Interest.** Bidders must disclose any actual or potential conflict of interest, including personal or professional relationships with RTIH officials, staff, or consultants. Proposals found to have undisclosed conflicts may be disqualified.

(g) **Misrepresentation / Fraudulent Practices.** If a Bidder is found to have misrepresented facts, submitted fraudulent documents, or engaged in any corrupt or unfair practices, RTIH reserves the right to disqualify the bidder or terminate the engagement without liability. Any proposal which includes terms or conditions that materially deviate from the requirements of this RFP—including scope, eligibility, team composition, or evaluation criteria—may be disqualified without further consideration.

(h) **Blacklisting / Debarment.** Bidders must certify that they have not been blacklisted or debarred by any government agency, funding body, or

donor organisation. Any false declaration will result in immediate rejection or cancellation of award.

- (i) **Subcontracting.** The selected Execution Partner shall not subcontract any part of the services without prior written approval from RTIH.
- (j) **Proposal Costs.** All costs incurred by the Bidder in preparation and submission of its proposal shall be borne by the Bidder. RTIH shall not be liable for any expense incurred by any Bidder in connection with this RFP or any subsequent contract, regardless of the outcome of the bidding process.
- (k) **Non-Binding.** This RFP does not constitute an offer or a legally binding obligation on the part of RTIH. Receipt of proposals in response to this RFP shall not oblige RTIH to award any contract or engage any Bidder. RTIH reserves the right to cancel, modify or re-issue the RFP at its discretion without assigning any reason.
- (l) **Dispute Resolution.** Any disputes arising during the RFP process shall be resolved through mutual discussion. RTIH's decision in this regard shall be final and binding.
