

JOB DESCRIPTION

Title: Manager, Legal, Compliance & Governance

Entity: Ratan Tata Innovation Hub (RTIH) Amaravati Foundation

Location: Amaravati (Onsite; occasional travel to Spokes & partner locations)

Reports to: Strategic Initiatives & Impact Lead

Role Summary

1. The Manager – Legal, Compliance & Governance will serve as RTIH's in-house legal and governance lead, supporting both the Hub and its affiliated Section 8 Spoke Foundations. This role will manage the complete lifecycle of legal documentation, ensure statutory and regulatory compliance under the Companies Act, 2013, strengthen corporate governance mechanisms, and help institutionalise policies, SOPs, and legal workflows. A key responsibility includes operating a Legal & Compliance Support Desk for startups, providing first-level guidance and facilitating connections with professional partners for advanced matters. The role requires close collaboration with Finance, HR, and Programme teams and coordination with external CS/CA/law firms.

Key Responsibilities

A. Legal Documentation & Contract Management

2. Draft, review, redline, and negotiate a variety of legal documents including NDAs, MoUs, vendor/service contracts, startup/programme agreements, and internal legal instruments.
3. Develop and maintain a repository of standard templates and clause libraries tailored to RTIH and Spoke needs.
4. Organise and manage a secure digital repository for legal documentation with access controls and version tracking.
5. Provide legal advice to internal teams on contract structuring and risk mitigation.
6. Coordinate timely execution and documentation with vendors, startups, partners, and internal stakeholders.

B. Compliance, Governance & Audit Readiness

7. Coordinate with empanelled CS firms to ensure Companies Act, 2013 compliance across RTIH and Section 8 Spoke entities (including annual and event-based filings, statutory registers, etc.).
8. Maintain accurate and timely Board documentation: notices, agendas, resolutions, minutes, and action trackers.
9. Monitor compliance calendars and governance checklists, proactively identifying and addressing gaps or non-compliance risks.
10. Support documentation for corporate affairs, ROC filings, and governance processes.
11. Identify, disclose, and manage potential conflicts of interest in relation to investments, CSR partnerships, vendors, and advisors, and ensure appropriate documentation and mitigation mechanisms are in place.
12. Ensure audit readiness by preparing legal and governance documentation for statutory and internal audits, and maintain trackers for closure of audit/compliance observations relating to legal and governance.

C. Policy Development & Governance Frameworks

13. Draft, review, and periodically update internal policies and SOPs across legal, HR, finance, operations, and governance, in consultation with respective function heads.
14. Ensure alignment of policies with MoA/AoA, Government Orders, RTIH Board directives, and good practices for Section 8 companies.
15. Develop practical governance artefacts such as checklists, flowcharts, approval matrices, and templates to support implementation by functional teams.
16. Drive policy rollout, communication, and secure documentation of employee acknowledgements and compliance training records.

D. Legal Operations & Cross-functional Collaboration

17. Design simple, efficient review and approval workflows for legal and compliance processes, including clear touchpoints for Finance, HR and Programme teams.

18. Prepare RTIH for adoption of tools (e-signature, CLM, document management systems) and ensure clean, organised legal data structures.
19. Support documentation for grants, programmes, partnerships, tenders, and audits, ensuring legal and governance alignment with inputs to Finance and Programme teams.
20. Assist HR with legal review of employee/consultant agreements, NDAs, declarations, & engagement letters, and support documentation for POSH, Code of Conduct and other compliance-related trainings and reporting formats.
21. Act as a central liaison with Company Secretaries, Chartered Accountants and external legal counsel for ongoing corporate affairs, compliance, and governance matters.

E. Startup Legal & Compliance Enablement

22. Operate RTIH's Legal & Compliance Support Desk to address routine legal and compliance queries from startups.
23. Provide first-level guidance on contract types, entity incorporation, and key registrations (e.g., PAN, GST, Shops & Establishment licenses).
24. Facilitate access to empanelled law, CS, and CA firms for specialised legal or compliance support.
25. Organise and support the delivery of legal and compliance clinics, workshops, and advisory sessions for startups in collaboration with professional partners and ecosystem stakeholders

F. Corporate Affairs, Investments & CSR Compliance

Investment & Financial Due Diligence

26. Lead and coordinate all legal, governance, and compliance due diligence for any investments, equity participation, grants, or financial commitments made by RTIH or its Spokes.
27. Review and support structuring of term sheets, shareholder agreements, investment agreements, and related documentation in coordination with external counsel and finance teams.
28. Prepare legal and compliance risk notes for management, Investment Committees, and Boards.

29. Support Investment Committees and Boards by ensuring completeness, legal validity, and compliance readiness of all investment-related proposals, without exercising decision-making authority.

CSR Fund Acceptance & Compliance

30. Ensure end-to-end compliance for acceptance, utilisation, and reporting of CSR funds under the Companies Act, 2013.

31. Conduct due diligence on CSR donors and conditions, maintain CSR-specific documentation, registers, and compliance trackers, and coordinate audits and reporting with donors and statutory auditors.

Corporate Affairs Ownership

32. Act as the single-point owner for all corporate affairs matters of RTIH and its Spokes, including secretarial compliance, governance frameworks, statutory policies, and regulator-facing documentation, in coordination with the Strategic Initiatives & Impact Lead, while final fiduciary authority and approvals shall remain with the Board, Committees, and CEO as per the Delegation of Authority framework.

Qualifications & Experience

Essential

33. LL.B from a recognised institution.

34. Minimum 5 years' experience in contract drafting, legal documentation, and risk review.

35. Exposure to Companies Act, 2013 compliance and Board/secretarial documentation (through CS firms or in-house corporate affairs/secretarial teams).

36. Prior in-house legal, compliance, governance, or corporate affairs experience.

Preferred

37. Experience in Section 8 companies, not-for-profit organisations, incubators/accelerators, or CSR/innovation-driven entities.

38. LL.M and/or professional certifications in corporate law, governance, compliance, or legal operations.

39. Familiarity with legal operations tools, CLM systems, e-sign platforms, and structured document management tools.

Skills & Competencies

40. Strong legal drafting, issue-spotting, and contract negotiation skills.

41. Working knowledge of Companies Act, 2013 and practical corporate/secretarial compliance.

42. Ability to develop and institutionalise governance frameworks, policies, and SOPs.

43. High degree of ownership, reliability, documentation discipline, and governance orientation.

44. Strong cross-functional collaboration and stakeholder management skills.

45. Strong written and verbal communication skills, including the ability to simplify legal concepts for non-legal stakeholders.

46. Proficiency in using spreadsheets, trackers, and basic dashboards for compliance monitoring.

47. Orientation towards collaboration and mentoring, contributing to better legal and compliance practices across the organisation.

KPIs (First 12 Months)

48. Standardised contract templates and key internal policies developed and adopted.

49. Timely and compliant execution of statutory filings and Board documentation with no critical lapses.

50. Legal workflows and document repositories fully operational with defined SLAs.

51. Functional Legal & Compliance Support Desk with startup engagement metrics and sessions conducted.

52. Positive feedback from senior management and external partners on legal support quality and responsiveness.

53. Zero material adverse audit or governance observations relating to legal, CSR, or investment compliance.

RTIH

54. All investments, CSR acceptances, and major partnerships supported by documented due diligence notes and approvals.

Compensation

55. ₹10-12 LPA CTC (to be finalised based on profile fit and interview performance)
